

Safeen Nemat

IT Support Specialist | Mobile App Developer | Influencer & Content Creator

I'm **Safeen Nemat**, an experienced professional blending expertise in **IT support**, **mobile app development**, and **digital influence**. As the creator behind **SafeenKurd**, I share my passion for **technology** and **innovation** while leading the development of **mobile applications** available on both **iOS** and **Android** platforms. With over **five years of experience**, I've built a career focused on creating **meaningful digital solutions** and establishing a **strong online presence**.

Career Overview

My professional journey began in **2019** at **Halabja Group**, where I configured **routers**, **switches**, and **security systems**. I later supported businesses as an **IT specialist** at **Online Guard**. In **2022**, I co-founded **Void.krd**, where I developed over **10 mobile applications**, including:

- **پری (Pre)** – A **pregnancy guide app**
- **Shayen** – A **restaurant review platform**
- **Babe Iraq** – A **skincare product discovery app**
- **Wasset Aqarat** – **Real estate platform for agents**

In **2025**, I began freelancing with **Box Advertising**, building innovative apps like:

- **Madrasaty** – A learning platform for students, similar to Udemy
- **CeenPoll** – A polling and data analysis app for collecting and interpreting responses

Additionally, I'm working with **Black Ace**, focusing on the **user side** of apps such as:

- **Manzli** – A trusted platform for booking homes and villas across Iraq
- **Yalla SK (SK Taxi)** – Request rides instantly or schedule later, choose Eco, VIP, or Delivery vehicles, track your driver live, and pay by cash or online

Additionally, I launched personal tech-driven projects:

- **Daftar Qarz** – **Loan manager** with multi-currency tracking
- **Ferba** – An **online education app** with features similar to Udemy

Influencer & Content Creation

As an **influencer** known as **SafeenKurd**, I share **tech tutorials**, **app reviews**, and the latest **industry trends** with an audience across **Instagram**, **YouTube**, and **TikTok**. My content is designed to help people **understand technology** and its impact on daily life. I focus on **educating and inspiring** through **engaging, practical content**.

Core Skills & Expertise

- **Mobile App Development** – Expert in **Flutter**, **Dart**, and cross-platform development
- **Content Strategy & Creation** – Skilled in producing **tech-focused and lifestyle content**
- **Community Building** – Experienced in developing **digital spaces** for meaningful engagement
- **Social Media Marketing** – Proficient in using **analytics** to optimize audience reach
- **Creative Problem Solving** – Able to merge **technical skills** with **innovation**
